[BADGE SYSTEM :: OCEANIC MAYAN PROTOCOL]

DESIGN PHILOSOPHY

Badges are earned through presence, not grinding. Inspired by Mayan cyclical time (K'in, Uinal, Tun) and the fluid intelligence of water, each symbol encodes a real story of self-care. Progression moves from droplet → wave → ocean current.

Two badge families: MILESTONE (time-based) + PATTERN (behaviour-based)

>> MILESTONE BADGES (time × practice)

WAVE EMERGES

Seven days of presence. The first mini-cycle closes.

Wave patterns emerge. ■■

Tides complete their cycle. ■=■

[30 Days]

OCEAN DEPTH
