I. PHILOSOPHY

"Self-care is not a quest you complete. It is a world you build."

LOT is an RPG and Arcade of self-care. Every check-in is a move. Every streak is a power-up. Every answered memory question writes one more line of your story. Badges are not trophies – they are transmissions from a future self back to the present one.

The badge system speaks in symbols because symbols reach parts of us that words cannot. A single ■ carries more meaning than a paragraph. An ■■ says: you began.

II. THE DUAL BADGE SYSTEM

LOT offers two visual metaphors for growth. Players choose their language.

A. WATER PATH ■ → ≈ → ■

- Droplet – Day 7 – First drops form
- ≈ Wave – Day 30 – Waves begin to flow
- Current – Day 100 – Deep currents established

Water is patient. It does not force – it finds the path. Your practice, like water, shapes everything it touches.

B. ARCHITECTURE PATH ■■ → ■■■ → ■.■

- Foundation – Day 7 – Foundation laid
- Structure – Day 30 – Structure rises
- .■ Architecture – Day 100 – Architecture complete

Architecture is intentional. Every block placed with care becomes load-bearing. Your practice builds something that holds.

III. MILESTONE BADGES — COMPLETE PROGRESSION
