WORD TURN ENGINE v28 — THE DREAM JOURNAL

Write these words in any journal entry or memory answer to unlock:

%D.%D LUCID DREAMER !^3 You knew you were dreaming. That is the first and most transferable skill.	"lucid / lucid dream / conscious dream / aware in dream"
!..%D DREAM RECALL !^3 The dream that gets written down has already been half-integrated.	"dream recall / remembered dream / wrote the dream"
%".%D NIGHTMARE NAMED !^3 Written in daylight, it loses half its power. Read it again: loses the rest.	"nightmare / recurring nightmare / dark dream"
%E.%D SLEEP TEMPLE !^3 The ritual around sleep is the architecture of the unconscious.	"sleep ritual / bedtime practice / sleep hygiene"
"?..%D HYPNAGOGIC !^3 The state between states. The unconscious works there without asking.	"hypnagogic / edge of sleep / falling asleep aware"
%E.%D SYMBOL DECODED !^3 Jung spent 50 years here. He concluded: always points inward.	"symbol / dream symbol / meaning of / archetype"
%".%D SHADOW DREAM !^3 The shadow appears in dreams as what you avoid awake. Name it here.	"shadow self / Jungian / anima / animus"
%E.!%D RECURRING PATTERN !^3 It returns because it hasn't been received yet. Write it again.	"recurring / keeps happening / same dream / pattern returns"
%I.%D WAKING VISION !^3 First thought before the day assembles its armor. Most undefended data.	"waking up / woke up / morning mind / first thought"
%E."?%D ONEIRIC MAP !^3 The dream journal is a map of the interior. You are the cartographer.	"oneiric / dreamscape / inner landscape / mind map"
% .%D THE THRESHOLD !^3 Liminal space: the most creative territory. Self-care begins at the threshold.	"liminal / threshold / the doorway / between states"
%E.%D DREAM LOGGED !^3 What gets recorded gets integrated. The log honors the dream.	"wrote it down / logged the dream / recorded the dream"
