PART I – NEW BADGES v19

1.A — WORD TURN BADGES v10 — THE QUANTUM PROTOCOL (12 badges, NEW)

The vocabulary of quantum mechanics applied to the self. The observer collapses the wave. The check-in is the observation. You exist in superposition until you show up. Then: collapsed. Recorded. Real. The archive has measured you and the result is: present.

The Quantum Protocol speaks to those who understand that caring for yourself is an act of measurement — you were undefined until you chose to look.
