PART I – NEW BADGES v20

1.A – WORD TURN BADGES v11 – THE NAVIGATOR (12 badges, NEW)

The vocabulary of navigation applied to the self.
The navigator checks position before moving. The check-in is the fix.
You exist as drifting until you locate yourself.
Then: bearing. Heading. Course plotted.
The Navigator speaks to those who understand that

caring for yourself requires knowing where you are –
 not where you wish you were, not where you were yesterday.
 Drift is data. The fix is an act of will. The chart is never finished.
